Horny For Jade And **Our Other June Babes**

Dear Virgin Territory,

I loved the June '13 issue. Katie from Alabama and Kennedy from Minnesota both looked great getting fucked and sucking cock. Tiffany from California can have my big cock whenever she wants it. She's so hot.

Ashley from Arizona looks so sweet and innocent. She has a hot, little ass that's begging for a hard cock. I'd love to lift her in the air and fuck her pussy and ass while her feet were off the ground, her 34Bs in my face.

Both Ksenija and Alice have great asses and look like they would be so amazing in bed. Bella, the sweet blonde from Kentucky looked so hot with a cock up her ass and a mouthful of dick. It was nice to picture fucking her again and again while I jerked it.

My favorite girl was Jade from Florida. She is amazing! Great legs, ass, cute face, pointy nipples and a sweet-looking pussy. I'd love to have fun with her. Any of these ladies can write me or call. Thank you, 18eighteen!-S.C. Kansas City, Missouri

Dear S.C.,

If you liked Jade's June pictorial, you're going to love her in this issue doing hardcore on page 88. You'll get a nice upskirt view of her ass before you see what she can do with a cock! You can also watch her getting dick-drilled on 18eighteen.com.

One Fan's Tryst With A **Brace-Faced Teen!**

Dear Virgin Territory,

Thanks so much for bringing back my favorite brace-face, Jean. Her pictorial in the August issue was damn hot. I love metal mouths and I've even dated two in my lifetime. Of course, that was quite a bit ago and it's difficult to find girls with braces who will actually go for older men.

My only complaint I suppose was the way she was styled this time around. I loved the first pictorial I saw of hers, back in the July '12 issue. She looked sweeter and prettier. But this time, that couch she was on and the clothes she was wearing were distracting (at least, at first). Obviously once I got to page 81 and especially

when I flipped to page 84, I'd forgotten all about those distractions and focused in on her lovely, dark pussy and scrumptious bitty titties.

I hope we get to see more of Jean soon. I really fell for her when I saw and jacked off to her scene in After School Slut Club #2. On top of my love for brace faces, I also get really hard when I see real nerd girls. You rarely if ever see them in porn these days, and I think I only got to fuck one nerdy girl in my life. She really changed my perspective on the shy geeky type. I'd fucked girls that were hotter, but those girls usually wound up being pillow princess types. You know, the kind that would just lie back and let you do all the work. It's not that I'm a lazy guy by any means, but sometimes it's nice to have a girl show you how much she wants your cock.

That nerdy chick I fucked way back when gave me the suck-n-ride of a lifetime! She was pretty like Jean is, and just as young and flat. She was a sandwich girl at this café by my job and I came in for lunch fairly often. At first, just for the sandwiches, but eventually I began coming in even

when I'd brought my own lunch for the day. And it was all just to see that sparkly, metallic smile.

I caught her at the end of her shift once and asked if she'd like to grab some coffee. It took me a few tries, but eventually she said yes and she wound up being

much flirtier than I could have ever imagined. She came home with me the second time we hung out and my god, could she go on for hours! I'd never had a girl be so gentle while sucking my cock. She was afraid she might cut me with her braces, so she went slowly and it was phenomenal.

Anyway, Jean kinda got me nostalgic for that once upon a time nerd fuck of mine and I'd really appreciate seeing more of her in your mag or on your website. Or maybe even in a new movie. How about an all-braces DVD? I'm sure I can't be the only old perv with a thing for these tinseltoothed teens.—Z.B., Skokie, Illinois

Virgin Reader Wants To Know What A Nice Pussy Is Actually Like

Dear Virgin Territory,

Received the August issue the other day. My favorite girls in this issue are Chloe, Gina and Ava (of course)!

Kira is okay, but Emily is overexposed. That Jean girl needs to go back into a cave and stay there! You must be hard up for cute girls since you keep putting her in the magazine!

Since I am still a virgin at 52, maybe you can help me out by describing what constitutes a "nice" pussy. I highly doubt that I will ever get to see any. Females don't seem to want to have sex or anything else with me.–J.H., Aberdeen, South Dakota

Dear J.H.,

Ava started

off innocently

enough, but now

she's even having

threesomes with

men and

women!

Your favorite teen nympho, Gina, is back in this issue in our DVD Pick: Back Door Brats (page 12)! We also have another treat for you–Ava's

XXX THREESOME pictorial on page 52 (page 54 for our UK readers)! Don't miss out on this.

As for what a nice pussy is, we like to think every pussy has its merits. Whether it's a compact, hairless slit PUBLISHED BY

or a thick, hairy bush, a super pink cunny or one with dark brown lips, we love them all.

This issue, we decided to put our focus on mostly outie pussies, with several pictorials featuring girls with cute, protruding labia and even an outie special: Meaty Mounds (on page 36). We can't wait until you let us know what you thought of this issue, so start reading and jacking and then write us back!

The New Girls Showing **Off Cunnies and Titties**

Dear Virgin Territory,

Lots of fantastic new girls in your Aug. '13 issue! This entire issue was full of new and pretty faces and even better, fresh pussies. I'll begin with Dolly, the adorable redhead you chose to start the mag. I'm not fond of piercings or tattoos, but she was just so sweet looking that I was able to look past that and enjoy her nubile body.

Next up was Chloe. You guys called her the girl-next-door, but I've never lived next to someone that hot! Can you let me know where she lives

and then maybe I will be

lucky enough to catch a close-up glimpse of her gorgeous body?

Gina was also cute, but she's a bit on the skinny side for my taste. Once I can see too many bones, I am not exactly turned on. Pretty smile and an exceptionally nice pussy, though. I

iteen mailing label.

still came on her centerfold shot.

Now, I'm not sure if Risa is new or not, but she's definitely new to my cock. I know because I got a raging hard-on the moment I saw her, which usually only happens when I see brand new girls. I must have some kind of pussy ADD. Risa's entire body is luscious. Her skin looks unbelievably smooth and soft. I love her nips. You can barely see them, but I like that. The images on pages 66-68 were what really caught my attention.

Thanks for another delicious issue of your mag. It arrived in my mailbox at the right time and I've been jacking to it since.-H.M., Troy, Michigan

Dear H.M.,

We are definitely fans of new teen girls as well, which is why we try to always include at least a couple in every issue. For your benefit, the new babes this issue are Mery, cover girl Dakota, Mia and Katie (who is also in our DVD pick on page 12). Enjoy!

The Truth Is Every Kind Of Teen Pussy Is Completely Awesome

Dear Virgin Territory,

I am writing in with my response to the question, "Which kind of pussy do you like more?" which was asked in the Feb. '13 issue of 18eighteen. My answer to this question is that I love ALL pussies: big bush, small bush, no

let all the girls with bushes in the magazine just to mix it up a bit. What you neet to remember is to keep all readers happy, not just some.

Now, what I mean by big bush can be exemplified by Bonnie (Feb. '12), Emma (Sept. '06) and Amanda (Oct. '10). By small bush, I mean Heather (April '10), Kinzy Jo (Nov. '07) and Koko Li (Sept. '06). And by no bush, I of course mean girls like Destiny (Oct. '10), Mercedes (June '10) and Sophia (Nov. '09). I love all the girls I just wrote about. If all the girls in the mag had absolutely no bush, it would be crap. All the girls would just look the same to me and it would therefore kill the excitement of what the girls have got under their panties. It would just be boring and it kills the excitement for me so please keep some bush in the mag for me and the rest of your fans who enjoy seeing all different kinds of pussies, from very hairy to tiny bushes to completely hairless. Dont kill it for me and the rest of the guys!-J.F., Scotland, United Kingdom

Dear J.F,

We whole-heartedly agree with your statement and are happy that you're such a big fan of bush. We love that you brought up beautiful bush babies and bald cunnies from so many years past!

Six Horny Teenage Girls Spread Their Assholes Wide For The Camera!

It's not every day you find an 18-year-old babe that's ready and willing to spread her ass cheeks and let you see her brown eye. And even more rare is a teen cutie that will say, "Sure, you can finger and lick my butthole!" And as if it weren't challenging enough to get older women to agree to a little butt-fuckin' fun, it's even harder to convince a sex newbie to let you spear them in the butt. But that's just what adorable nymphos like Dolly and Cat did for us! So hot!

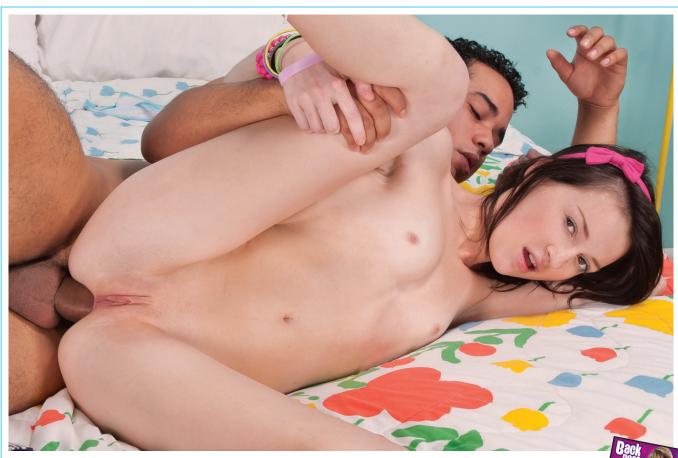

an you even begin to imagine how amazing it would be to feel Kira's snowy-white butthole squeezing your cock? Or how incredible it would be to have a girl like Mandy riding your cock reverse cowgirl, letting you push through her puckered asshole until it was stretched all around your salami? We know it's almost too good to be true, but it's all available for your viewing pleasure on this DVD!

We figured you must be a pretty horny girl if you're taking off your clothes for us! So what's the kinkiest thing you've ever done sexually?

"I was hanging out at a bonfire on the beach one night and making out with this guy a bunch. Eventually, we got so horny we started getting naked. Pretty soon we were horizontal on a blanket, and he was fucking me in front of everyone. It was super hot!"

When Ginny got accepted into the student exchange program, she was hoping her trip to Italy would give her a chance to hook up with a hot Italian high-schooler who'd take her virginity. What she didn't expect was meeting up with a local sculptor who'd find a way to make her the...

inny could hear the couple talking. Not that they were being loud-not too loud, at least, but the balcony windows were open and, well... If you listened, you heard things. Sexy things. After two weeks with her host family, Ginny had figured out when to listen.

"Quick, take your clothes off. I have to be back at work a little early today!"

His voice, heavy with the accent. The sound of his zipper going down. A piece of clothing hitting the wall. Probably the woman's bra, Ginny guessed, thinking about what Angelina looked like. Curvy. Big boobs. Full, pouty lips. Blower's lips, no doubt about it. If Ginny had a dick? She'd want Angelina to suck her off all the time.

Carlo had it good. Angelina got home around three. Carlo took a late lunch and stopped off every other day for a quickie. Christina, the girl whose family Ginny was staying with, had told her about them Ginny's first night in town. Christina took off from her after-school job the next day, and they'd listened as the newlyweds had torn it up-but good-for the better part of an hour. Christina had a small hand mirror, and if you leaned out onto the balcony, you could watch the horny duo getting it on. That Tuesday, Carlo had his young wife's legs wrapped around him, fucking her hard and fast. He hadn't been ready when she'd cum, and pulled out so she could take his dick between those perfect cocksucker's lips. He hadn't been in her mouth when he shot, drenching her in a facial that left cum dripping off her chin and onto her heaving tits. She'd collapsed onto the bed, massaging his jizz into her tawny skin.

Ginny chose not to hang with Christina every other day, instead heading back to the house to, uh, study. Or so Christina's parents thought.

But it wasn't helping Ginny as much as she'd hoped. True, Angelina and Carlo fucked like rabbits. And, they were quite experimental. One day they'd sixty-nine. The next, Carlo would bend her over and fuck her from behind. Once, he'd fingered

Angelina's ass good enough to make her squeal. Sometimes she'd start off by sucking him, then let him ride her, or she'd mount him and do it cowgirl-style. Sometimes he wore a rubber. Sometimes he didn't. One day, he would blow his load in her mouth. She would swallow every drop. Then there was the facial. Nothing seemed off-limits.

Which drove Ginny crazy. She was jealous. She wanted to be in Angelina's position...any one of them! Carlo was hot, and seeing him naked that first time had made her twat so greasy she'd rinsed her panties in the bathroom sink rather than toss them in with the family's laundry. Ginny had been on the balcony, just out of sight, listening to them screw, fingering

herself in time to Angelina's grunts and moans.

But it wasn't enough. Ginny had signed up for student exchange just for one reason—to get dick. According to Kim, who'd graduated the year before, student exchange was all about the hook-up. Everybody wanted to fuck a

hot stranger. Not that Ginny would've minded having a real boyfriend, but the fact was, she didn't. And the prospects at home weren't great. She hadn't been on a date in months, and that had been a disaster. So, when Kim suggested student exchange, Ginny jumped at the chance.

Two weeks had passed. There'd been some parties, true. She'd talked to some guys. She'd flirted. But nothing had happened. Her month was already half-gone.

"Get on your knees," Carlo said, playfully slapping Angelina on the backside. She laughed, hurrying to get into position. Ginny held the mirror and watched, fascinated, as Carlo got behind her, banging her nice and hard in doggie-style position.

"Ungh! Ungh!" he huffed, really getting into it. Angelina bit her lip, gasping every time Carlo slammed into her with that massive cock of his.

"More, Carlo!" she whimpered, urging him on. "Do it! Do it! Do it good for me, baby..."

Wouldn't take long, Ginny thought, two fingers buried in her snatch. Angelina was having a hard time catching her breath. Ginny wished that just for a minute, they could trade places.

"Yes! Yes! Yes, yes, yes!" Angelina cried, face contorted in ecstasy. Ginny felt her heart sink. She was too frustrated to get off.

"I'm okay, I'm okay," Angelina said, looking back at her lover. "Don't worry, it's safe. You can cum all inside my tight pussy!"

Ginny trembled, but hot as that was, and watching Carlo's face as he emptied his balls into Angelina from behind, it wasn't going to work. Not today.

She crawled away from the balcony, returned the

mirror to Christina's drawer, and fixed her clothes. Buttoning her shorts was like a sign of defeat.

She had to get out of here. Had to do something. She went outside and spotted Vincente, Christina's brother, parking his scooter. It gave her an idea.

"Vincente, can I take a ride? I want to go see some things before Christina comes home. Is that okay?"

"Of course!" he said, offering her the Vespa. "I just filled up the tank. Have a good time, just remember to lock her up!"

Ginny took the key and the little half-helmet, started the scooter, and headed for town.

"Somewhere out there," she told herself. "There is a horny, good-looking guy who is

going to take one look at you and want to get in your pants."

She sure hoped so. If she didn't get laid soon, she was going to start considering a gigolo. That was an Italian word, wasn't it? She didn't know. Didn't matter, though. With the wind in her face,

she cruised into Rome. If there wasn't an Italian hottie she could always go for one of the tourists....

he ride was fun, but short. The Vespa didn't have all that much going for it, but it did vibrate enough to keep her pussy moist. She wondered if the maps showed cobblestone alleys she could ride down to get a little relief.

She locked the scooter up by a large, ornate fountain–Italy was full of the things–and scoped things out. It was well into the afternoon by now, and the pre-dinner tourist crowd had thinned considerably. Still, there were plenty of people. A couple was eating from a picnic basket, pointing at the fountain. Ginny was tired of fountains, and sculptures, and quarries, and architecture. It seemed that was the only thing the school trips bothered with. Ginny had seen enough marble to last her a lifetime. Enough churches, too. Rome had a lot to look at, sure, but Ginny wasn't much of a tourist. She was horny, eighteen and desperate. The only column she was interested in wasn't Doric or Ionic. It was made of flesh and would be attached to a guy who knew how to use it.

She circled the fountain. Not many single guys, that was obvious. There was a guy with a pad, who looked all right at first glance. But he was ripped, and Ginny took him for a gym rat or roid-head. Scratch that one. There was a decent-looking older guy talking on his cell phone in Italian who might be worth flirting with, although her Italian was barely passable. Maybe not. She saw a pair of cute guys talking animatedly by the fountain, holding a camera.

Does that mean you haven't really had sex yet?

"You mean am I a virgin? Nah, I had sex with a guy friend of mine before, but only a couple times. The first time, I snuck into his bedroom at night. It wasn't as good the first time, but the next few times I started to like it more. I guess I got more relaxed, and I learned to start playing with my clit at the same time. That made it way better. He also ate me out the second time and that made a huge difference! Nothing's ever turned me on as much as that!"

Two guys. Might be a bit much to bite off for her first time, but they were damn good-looking and weren't much older than—

They kissed, handed the camera to a passer-by, and stood cheek-to-cheek for a photo.

"Story of my life," she sighed, continuing to walk the square. Didn't Italy have a reputation for being full of guys who were on the make all the way into their 80s? That's how movies made it seem. And, she'd just been caught fantasizing about two gay guys...

"Not a Bernini fan?"

Ginny turned to see the muscle-head with the pad standing in her path, smirking.

"Who?"

"Bernini. This is his fountain."

Ginny looked at it. Shrugged. "Guess he spent a bundle for it," she said. The guy roared.

"You misunderstand," he explained when he'd finished laughing. "Bernini didn't buy the fountain. He sculpted it. One of Rome's finest."

Ginny felt embarrassed for her ignorance. She really should have known that. She examined the fountain. It was pretty spectacular.

"Didn't know," was all she could come up with. That made the guy grin.

"What are you smiling at?" she demanded, not sure why she was angry all of the sudden. It wasn't his fault she was a dolt.

"Because it is obvious," he said, giving a little shrug of his own. Now, Ginny felt heat rise up her neck. Obvious? What? That she was a virgin on the prowl who'd just been staring hopefully at two guys who were playing for the other team?

"What's obvious?"

"That you don't care," he said bluntly, and chuckled. Ginny felt her chest loosen up a little. Maybe not everything was that obvious.

"Come with me, I'll show you something," he said, and gestured with his hand. Ginny thought about it. He was built like a brick shithouse all right,

lege savings on it.

His name was Dominick, and he led her through a winding maze of ever-smaller streets, through the door into a plain, dusty-looking building. When Ginny stepped inside, her spirits sank. The space was cluttered with statues and sculptures. Suddenly, the reason for his well-developed arms and back became obvious. She sighed.

"So," she said, unable to hide the disappointment. "This is what you do?"

He chuckled again, pointed to a door into the back. "Let me show you what I'm working on now."

She didn't have much choice. She'd never find her way back by herself, and didn't relish the idea of getting lost. Besides, he seemed harmless enough. She could indulge another marble-obsessed native. Why couldn't he have owned a sex-toy shop, though, she wondered. Or a trendy underground dance club? Something...exciting.

She stopped just inside the door to the work area. It was a big room, dominated by a single project. A spectacular fountain, half-filled with water, adorned with an array of hot-looking, half-naked sea nymphs in a number of suggestive poses. Definitely not what she'd been expecting.

She strode over to the fountain, staring into the lifelike face of a mermaid, mouth open and tongue protruding suggestively. Her arms were raised, hands side by side above her head, as if she was preparing to dive. Ginny was about to say something, staring at the creature's small breasts, when Dominick pressed up against her back.

"I-whoa!" she exclaimed, feeling the knobby bulge digging into her ass crack. It couldn't be anything other than Dominick's cock, and boy, did it feel hard. Before she could utter another word, his rough, callused hands came around to rest on her flat chest. He began to rub her nipples.

"W-what are you doing?" she challenged. He chuckled again, his breath hot in her

ear. It made her damp, her nether-lips humming with excitement and lust.

"Don't be like that," he said, tongue caressing her earlobe. "I saw you at the fountain. You were staring at Filip and Tony

like a starving bird watches a worm. Only, this kind of worm."

He took her hand, placed it on his bulge. She could feel his heat radiating through his cargo shorts. She traced the outline of his shaft with her fingertips, her shame and embarrassment vanishing. He wanted her. He had a raging hard-on, and he wanted to fuck

her silly with it.

She turned, kicking off her shoes and resting her ass against the fountain. His dick grinding into her swollen clit. He had wolf eyes as he ogled her underdeveloped body, so like the nymphs he'd carved. She ripped off her top, exposing her perky buds. Dominick smothered one with his hot mouth and suckled her until her tit ached.

"Let's," she began, but again, couldn't finish. Dominick relinquished the hold his mouth had on her breast and spun her around again. Without effort, he hauled her over the side and into the fountain.

Ginny's feet splashed down in water almost up to her knees. It was warm, with little bubbles floating to the surface. Dominick walked her over to the nearest nymph, the one she had been fascinated by, and placed her in front of it.

"Do you want me to-"

"Ssssshhhh," he whispered, unfastening her snaps and sending her shorts into the pool. He groped her ass, the white, cotton bloomers feeling totally lame. She should have worn something sexy, she thought. She should have borrowed something from Christina. Christina had plenty to choose from. Thongs, bikini-cut, even lacy ones. Not just the plain-Jane undies Ginny had packed. Dominick, though, seemed entranced by her plain panties. He took his time, running his hands over her bottom, then cupping water, drenching her panties until they were transparent.

She could feel him there, like a rock, spreading her ass cheeks through her soaked bloomers. Then his shirt was off, and those big arms were folding around her, his strong hands slipping beneath her waistband and...

Fingering her. Good god, he was fingering her slit and doing things to her she was incapable of doing to herself. Dominick's fingers were thick, limber, able to reach places her own slender digits couldn't. When he finally shifted his focus from her clit and inserted one into her velvet tunnel, she almost screamed.

"Tell me," he asked softly, nibbling the back of her neck. "What would you like? What is it you would like me to do? Say it. Tell me, and I'll do anything you want."

Anything. The word hung there, echoing in her head. She ran through the options. Should she have him eat her? Go down on her until she came in his mouth? Make him take her down on all fours and fuck her like Angelina had taken Carlo? What if he bent her over the side of the fountain and drilled her from behind? There were so many choices.

She settled on something simple. Something she'd wanted for so long, that no matter how it happened, it was bound to be right.

"Fuck me," she answered. "Just fuck me 'til I cum."

He didn't pull down her panties, or peel them off. He shredded them, turning them into a dewey rag. His own shorts had come off somewhere along the way, and now his member was slapping her ass, seeking her soggy entrance.

Dominick weighed on her, pushing her against the nymph. She tried putting her hands against the sculpture, but that didn't work. Dominick shifted, the head of his cock teasing the ringlets of hair framing her virgin cunt. Her hands slipped off the slick statue. Dominick's prick slotted into her fuckhole, the first inch splitting her gooey cleft.

"Oohhhh!" she mewed, throwing her head back.

It was exactly what he wanted. Ginny's folds spread. The sea nymph's smooth tongue slithered into her slit, just beneath her button. Ginny fell forward, her tiny chest coming to rest against the nymph's cool hands. She didn't think it possible, but rubbing against the marble palms, her nipples swelled to twice their normal size.

Dominick's member curved slightly, like a banana that had been left too long on the tree. While he worked it deeper into her box, Ginny wrapped her arms around the nymph's head to keep herself steady. The carved marble tongue slid down into her cleft, the nymph's full lips now encircling her throbbing clit.

Fuck Bernini, Ginny thought, starting to jitter as Dominick moved deeper inside her. There was no doubt in her mind that Dom had carved these

nymphs specifically for this. Her impending orgasm was proof enough. Dominick's fountain might not be featured on any tourist map-but it sure as hell should be!

Ginny tried to keep it together, but it was no use. Dominick was just about there, and she wasn't sure what to do. She closed her eyes, wiggled against the sea nymph's face for a little faux girl-girl oral, and waited. Three...two...one...

The head of his cock bottommed out-far too early. He hesitated, surprised. Ginny remembered how hot she'd gotten watching Angelina look back over her shoulder at Carlo. She did the same, although she didn't have the nice, swinging tits to fill her lover's hands.

"It's okay, right?" she asked, mimicking Angelina's sexy voice. "That I've never done it before?"

Dominick looked shocked.

"A girl as beautiful as you?" he asked. She started to laugh, thinking he was joking. Then she remembered the statue, whose face was turning her snatch to butter. Its small boobs. Its young features. Like her, in a lot of ways, although she'd never muffdived before. She thought about it a few times given her success rate with the boys, but...

"Never?" he asked, astonished.

"It wasn't the right time, I guess," she said, breathing the words, feeling his prick throb deep inside her. "Not until right now."

That got him. Dominick grabbed her hips, positioning her just right. Ginny's tight cunny felt like it was stuffed to overflowing with cock meat. His tip stabbed at her cherry, making her toes curl up. Her walls ached with his girth.

One more push, and he was through. Her cherry popped, her inner curtains parting for his shaft as he drove through, his balls smacking her twat. This time, she did cry out, awestruck at the feeling of having a man all the way inside her.

The combination of Dominick thrusting into her from behind and his marvelous nymph's face buried in her pussy sent her careening over the edge. She churned up the water with

her orgasm, girl sauce dripping out of her and streaking that beautiful white face. As Dom fucked the shit out of her, Ginny eyed the other statues. There were five of them, all with features similar to hers. Dominick, it seemed, didn't care much for chicks with big tits and hourglass figures. Thank goodness for her.

One of the sea creatures appeared to be staring back, mouth open. Ginny wondered if Dominick had filled that mouth a time or two. She looked like she was up to the task of accommodating the sculptor's huge cock.

Dominick intensified his strokes, kneading her ass like it was fine clay. Water splashed with the urgency of his cunt-pumping. She sensed that he was getting close.

What if he came inside her? She wasn't so sure if that was a good idea. She was too caught up in the throes of another cum to count days. She thought about trying to tell him, but her worries fell away as another climax hit her, this one like an electric shock, its effect doubled

deep water.

by the knee-

She arched her back, cumming, cumming...cumming so hard that she thought she might snap the tongue right off the face she was riding.

"Mahhg!" she gurgled, the word not even making sense to her. "Don't stop!" she begged, tears streaming down her face. "Just...don't...stop..."

Dominick drove his prick into her balls-deep, his junk mashed against her de-virginized vag. He gave her ass a little pinch as she came down off her orgasm, straddling the sculpture, practically melting into it.

"Dom-" she tried, unable to form the words. But she didn't have to. He'd already figured it out. With two quick strokes, he wrenched his tool out of her slot, the sudden emptiness making her insides feel like jelly. He trapped his dick between her ass cheeks, and shut his eyes.

Jizz erupted from his cock, spurts of warm love lava washing up her back. It got caught in her hair, pooled along her spine. Rope after rope of ball nectar shot out of him, and still, he remained raging hard, his manhood refusing to flag until his discharge had ebbed to a trickle disappearing into her ass crack.

hey washed in the fountain. When they finished, Dom helped her out and set the basin to drain. It made her sad. She went around to the other side so she could take a closer look at the nymphs facing away from her.

And stopped cold. One looked familiar. Very, very familiar. Dominick noticed her looking.

"A little much, eh?" he asked, misreading her. But no, that wasn't it. The nymph on the other side of the fountain was actually a pair, two girls wrapped in a fierce embrace, their budding breasts touching one another as they spiraled out of the water

> together. Ginny couldn't take her eyes off the one which looked like Christina.

> "So, you like it then?" Dom asked, happy now. Ginny nodded slowly. It couldn't be a coincidence. It just couldn't.

"Let me guess," he asked, frowning. "You

need me to take you back now?" True. He did. But her mind was already racing ahead. To when Christina got home from work.

"I need to go, but..." she started, glancing back at the statue.

"But?" he said, teasing the rest out of her, his hand fondling her butt.

"But maybe I can come back later. Would that be okay?"

"Okay?" he sputtered. "Really? You American girls are so strange. You need to ask?"

"Well," she continued, pressing up onto her tip-toes to peck him on the lips. "I might not come alone."

"Oh," he said, a mischievous look on his face.

"Might bring a friend," she suggested, striding toward the door. "A really, really hot one."

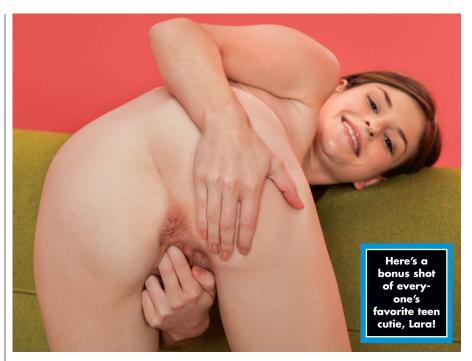

VIRGIN TERRITORY

13. Her pretty face glazed with manjuice was exactly what I needed after a long work week. I jerked it to her face good and even added an additional layer of nut-sauce. I think it was an improvement!

Then of course there was Sindy with those excellent tan lines. I wish I had a girl like that around to fuck regularly. My girl doesn't really like to tan and thinks tan lines aren't attractive. Little does she realize how much of a turn-on that is for me. Luckily, I've got 18eighteen to fall back on. Sindy also had a lovely asshole shot at the bottom of the page. Oh, and of course, her pretty, pretty face with those little, green braces all covered in cum. What girl doesn't look better with a dick in her face, I ask you?

I don't believe I've seen Dani before, but I really liked her creampie. I was a bit confused though because the movie is *Cum Guzzlers* and so I was expecting ALL the girls to either swallow cum or at least have it some-

where near their faces. Still, I enjoy creampies when I see 'em, so no real complaints here, guys.

Staci's quote says that she loves a good facial. Well, if she's open to it, I would love to be her facial provider from now on. Maybe that's how she stays so fresh faced. I love her body, too. Those tits are impeccable.

That Krystal girl was okay, but she didn't do much for me. Her claw-like fake nails were a bit distracting. She seems a bit too strippery for my taste and I like my teen girls to be more

youthful and innocent than that.

Brittney on the next page was cute. Nothing too special, but she still provided fodder for the cock fire. Rebecca's cum shot was all right and my biggest complaint is that we didn't get to see more of Lara! She's one of the sexiest, youngest-looking babes you've got on here and yet she only got a small image with barely any sticky on her face. Just a little on her tongue. I feel deprived. You should bring her back and if she's game, have her take on two big cocks that both end up spurting loads of jizz on her face and in her sweet mouth.

This seems like a good DVD in general. I like when you guys put these in your mag because it really helps me decide whether or not I'd like to buy one of your movies. Thanks much, 18eighteen!-E.V., Seattle, Washington

Dear E.V.,

*That's exactly the reason why we start*ed these DVD picks! Sure, someone can tell you a movie is good, but until you have a general idea of what's on it, you might not be inclined to order and enjoy it. We promise that although we only included one image of Lara in the preview, there is plenty more of her to see in this movie! She is, after all, one of our fan favorites these days! Anal, Flatties And Lots Of Naughty Stories

Dear Virgin Territory,

Thank you for your mag! I am a guy in my mid-thirties but currently without a girlfriend, so suffice to say it's been a tad lonely. Your mag has provided some much needed companionship at times. I enjoy stroking to all the cute girls and their pretty pussies and reading about them, getting to know them just a bit. Jean, for example, really surprised me in your Aug. '13 issue, talking about sex the way she was. She seems like such a kink, even though she looks like a young nerd with big braces! Reading about her sexcapades really turned my cock on and inspired tons of jizz.

Kira was another excellent girl in this issue. How often do you really get a girl that young and flat taking a huge cock in her ass? It was surprising and hot as fuck and I must have cum on every page of her pictorial. Thank you for asking her if she'd let the world watch her take it in the butt. It was worth every penny. I'm still having fantasies about teeny Kira and her pink snatch and tight asshole getting stretched and pounded beyond belief. You should really try and see if more of these girls would be willing to let some guy stick his dick in her ass. Maybe you'd be surprised and more of them would say yes! You never know, right? It would at least make this fan a very happy man!

Emily's boobs were a bit large, but my god what an angelic face she has! I liked her and her red panties quite a bit. So much so that her panty shots are now a bit stickier than when my mag first arrived in the mail.

So if I were to make any suggestions with this letter, they would be: 1. More anal. 2. Less large-chested girls (unless they're as beautiful as Emily). 3. More flatties like Kira (and Risa and Gina and Chloe and Jean and the rest)!–S.C., Winfield, Kansas

Dear S.C.,

Finding teenage girls that like anal is definitely a challenge, especially ones that will perform on-camera for us. We did find a few recently though and created a movie out of it: Back Door Brats. You can see images from this film on pages 12-17. As for flatties, you're sure to find plenty on our website, 18eighteen.com!

Jade took no time in sucking and fucking him like a pro!

"He's a good friend of mine, and I could always tell he kinda wanted to see what it was like to be with me. He'd joked about it a few times, and we'd even kissed once or twice at parties. But it never really went anywhere. He's not as assertive as I am, and I got tired of playing games. I knew once he saw how nice my ass is he wouldn't be able to resist. His cock was even nicer than I had imagined, and he was loving the way I downed his dick! I loved it, too."
